As Clear Pty Ltd. is committed to the prevention of injury and illness in the workplace and demonstrates that commitment by providing safe systems of work and a safe and healthy working environment.

The As Clear management team is responsible for ensuring the successful rehabilitation of all injured employees. In consultation with the treating doctor, rehabilitation coordinator and insurer we will provide assistance and guidance during the rehabilitation process to ensure that:

Rehabilitation commences as soon as is safely possible, consistent with medical advice.

Participation in any rehabilitation program will not of itself, prejudice the health and welfare of an injured employee.

Return to work as soon as possible by an injured employee, is a normal practice and expectation.

Suitable duties for an injured employee are provided, as an integral part of the rehabilitation process.

Employees and their representatives are consulted, in the development and operation of the rehabilitation program, consistent with the need for privacy in all cases.
