

POL003 - RISK MANAGEMENT POLICY

As Clear Pty Ltd recognises that risk management is an integral part of good management practice and is committed to establishing an organisational culture that ensures risk management is embedded in business processes and activities.

All managers and staff will be responsible for the management of risk relevant to their areas of responsibility. This role may range from identifying and reporting risks associated with their own positions to participation in the risk management process. Managers and Supervisors, at all levels, are required to create an environment where managing risk is accepted as the personal responsibility of each member of the business. The objectives of this policy are to ensure:

- ✓ Senior management are in a position to make informed business decisions based on risk assessment
- ✓ Risks are able to be identified, prioritised and managed in a coordinated manner;
- ✓ Strategic planning processes are improved as a result of a structured consideration of risk;
- ✓ Sound business opportunities that benefit the business are identified, without exposing the business to unacceptable levels of risk;
- ✓ Compliance with relevant legislation;
- ✓ Company resources are safeguarded (eg. people, finance, property and reputation).
